JOINT

To The Secretary to the Government of Madras,

Local Self Government (Public Health) Department.

Sir,

In forwarding herewith a copy of letter of the
Collector of Bellary R.O.C.No.226/35/Pl., dated 7th December
1935, recommending the grant of a house rent of Rs.5/- per
mensem for the office accommodation of the Assistant Plague
Officer, Harpanahalli, I have the honour to state that in
the circumstances explained it may be sanctioned. I may add
that besides cyanogas, rat traps etc., plague records, inocu-
lation outfits and disinfectants have also to be stored.

2. The expenditure on account of the above can be met
from the provision under "33 (c) Public Health-Expenses in

Buildings - Office accommodation - Assistant Plague Officer-Harpanahalli-House rent-allowance - Sanction - Requested.

The successive Assistant Plague Officers appointed at Harpanahalli were keeping their records and holding their office in their private houses for want of suitable accommodation in the Taluk Office which is the only Government building in Harpanahalli town occupied by this department. The present Assistant Plague Officer represents that he has large stocks of cyanogas and other poisonous materials which cannot safely be kept in his house and requests that he may be given a house rent allowance of Rs.6/- per mensem from 1-10-35 the date on which he has engaged a house for his office use.

I agree with the Assistant Plague Officer, and the District Health Officer, Bellary that it is ~~a~~ dangerous to the inmates of the house to have such poisonous materials and in view of the difficulty in procuring accommodation in the Taluk Office. I recommend that he may be paid a house rent allowance of Rs.5/- per mensem for his office as a suitable house for that rent can be got in Harpanahalli town.
